Product Warranty Information

Important note: The serial number of the machine must be reported at the time a warranty claim is submitted on a machine or any of the components contained therein. Any removal of or tampering with the serial number or date code of a component will void warranty.

Limited One-Year Warranty

Keurig Green Mountain, Inc. warrants to the original purchaser that its coffee maker will be free of defects in materials or workmanship under normal use for one-year from the date of purchase. Keurig, a Keurig Authorized Distributor or Service Agent will, at their option, repair or replace a defective coffee maker or coffee maker parts under this warranty without charge upon its receipt of proof of the date of purchase. If a replacement coffee maker is necessary to service this warranty, the replacement coffee maker may be new or reconditioned. If a replacement coffee maker or parts are sent, a new limited one-year warranty will be applied to the replacement coffee maker or parts. This warranty only applies to coffee makers operated in the United States and Canada. This warranty gives the original purchaser specific legal rights, and you may also have other rights that vary from state to state and, in the case of Canada, from province to province. If you obtained this coffee maker through sale or rental from a Keurig Authorized Distributor, you may also want to refer to your distributor's warranty policies. Only the use of Keurig® accessories will guarantee the proper functioning and lifetime of Keurig® coffee maker. Any damage to or malfunction of your coffee maker resulting from the use of non Keurig® accessories may not be covered by this warranty or may result in a service fee if the damage or malfunction is determined to be caused by such use.

What is not covered by the Limited Warranty?

THIS WARRANTY DOES NOT COVER CONSEQUENTIAL OR INCIDENTAL DAMAGES SUCH AS PROPERTY DAMAGE AND DOES NOT COVER INCIDENTAL COSTS AND EXPENSES RESULTING FROM ANY BREACH OF THIS WARRANTY, EVEN IF FORESEEABLE. Some states or provinces do not allow the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you depending on the state or province of purchase. Nor does this warranty cover damages caused by use of non Keurig® accessories, services performed by anyone other than Keurig or its authorized service providers, use of parts other than genuine Keurig parts, or external causes such as abuse, misuse, inappropriate power supply, or acts of God.

Other Limitations

THIS WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ANY OTHER EXPRESS WARRANTY, WHETHER WRITTEN OR ORAL. IN ADDITION, KEURIG HEREBY SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES WITH RESPECT TO YOUR ECCELLENZA TOUCH™ COFFEE MAKER, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. Some states or provinces do not allow disclaimers of such implied warranties or limitations on how long an implied warranty lasts, so the above limitation may not apply to you depending on the state or the province of purchase.

How do you obtain warranty service?

Keurig® coffee makers are high-quality appliances and, with proper care, are intended to provide years of satisfying performance. However, should the need arise for warranty servicing; simply call your Keurig Authorized Distributor (KAD) who originally sold you the coffee maker or your Keurig Authorized Service Provider (KASP) for full support. To be re-connected with your KAD or KASP, please call Keurig at 1.888.287.2739 ex.5. If in Canada, please call: 1.888.382.1145.
